

# 2021 SUMMER

DR.  
ROBERT  
MAYBEN

ALABAMA  
TECHNOLOGY  
IN MOTION

UA-UWA  
IN-SERVICE  
CENTER

# SESSIONS

[uatim.org/summer](http://uatim.org/summer)

### **Who May Participate:**

The target audience for the ATiM Summer Sessions is any professional public-school teacher, school or district administrator or school board member in the UA/UWA In-Service Center region. Due to the nature of virtual summer sessions, seats are also available to educators from other regions in the state for the UA-UWA Alabama Technology in Motion Sessions.

You may register for any session appropriate to your subject and/or grade level on the PowerSchool website <https://alsde.truenorthlogic.com>.

### **Confirmation:**

You will receive a confirmation email from PowerSchool. If a program is canceled, filled, or if there is a change in location or time, we will notify you by email.

### **Instructions for registration of PowerSchool**

1. Log on to the ALSDE PowerSchool site: [www.alsde.truenorthlogic.com](http://www.alsde.truenorthlogic.com)
2. Click on **Courses** tab.
3. Type in Section #
4. Click the Register button

If your user name and/or password do not work, call your principal or district level PowerSchool Coordinator at your Central Office.

Retired teachers need to contact Rhett Cutts ([rcutts@alsde.edu](mailto:rcutts@alsde.edu)) to have a PowerSchool ID created. When emailing, please include your full name and teacher number. You can locate your number via <https://tcert.alsde.edu/Portal/Public/Pages/SearchCerts.aspx>.

If you have difficulty locating or registering for a program being offered by the UA/UWA In-Service Center, call our office at 205.348.3319.

Focus will be on navigating the platform, searching students, creating and grading assignments, tracking student progress, reports, and settings.

**Topic:** [Assessment Strategies for Distance & Blended Learning](#)

**Section #:** 398825

**Date/Time:** July 30, 2020; 9 AM – 11 AM – Virtual Session, Link will be sent after registering in PowerSchool

**Description:** This session will provide an overview of assessment strategies to help teachers measure student learning in any settings. Ideas will be shared from The Assessment Playbook for Distance & Blended Learning

# CONFERENCES

**Topic:** [UA-UWA ATiM Tech Meet Tuscaloosa 2021 \(K-12\)](#)  
**Section #:** 398800  
**Date/Time:** August 2; 9:00 AM – 3:00 PM  
**Facilitator:** Dr. Robert Mayben, Dr. Lisa Matherson, Dr. Vivian Wright & Master Technology Teachers PLG  
**Location:** Virtual via Zoom  
**Description:** Tech Meet Tuscaloosa (TMT) is a technology conference for educators interested in learning about classroom uses of web tools and emerging instructional technologies and strategies. Throughout the day, participants will learn about DLCS and emerging technology integration tools and strategies, discover how the technologies can be integrated within various content areas, participate in discussions about best practices with technology, and connect with other participants to share resources for learning more about classroom integration strategies. The focus this year is on blended learning. Conference program and more information: <http://uatmt.weebly.com>.

**#UATMT**

**Topic:** [ATiM Back to School Virtual Summit](#)  
**Course #:** 264464 (Sections can be found after accessing the course.)  
**Date/Time:** July 27-29; 3 Sessions Daily – Check back later in the Spring for Specific Details  
**Facilitator:** ALSDE ATiM Specialists  
**Location:** Virtual via Zoom  
**Description:** Alabama Technology in Motion Specialists have teamed up to bring you 3 days of instructional technology sessions built just for you. Each session will be packed with classroom application and student creation opportunities. Choose the sessions you wish to attend. The ATiM Summit will take place with three 90-minute sessions daily from July 27-29, 2020. Sections will be posted in late spring.
